

Monticello, Warren and Dallas
County Animal Clinics

Feline Anesthesia Consent

Owner:	Phone #:	Pet:
Procedure:	Date:	

- In order to lower the risk of anesthesia, we offer pre-anesthetic blood testing. These tests will help rule out any unknown problems such as Kidney and Liver disease, anemia, platelet disorder and diabetes. Due to the added expense, we make these tests optional, but highly recommend these tests prior to any anesthetic procedure. **Do you want to perform these tests at an additional cost of \$66.90?**
 - YES, please perform this test
 - NO, do not perform this test
- If your cat has never been tested for *FeLV/FIV*, we recommend this prior to surgery. If positive, it will change the way we would manage the patient. The cost of this test is discounted as a surgical procedure to the price of \$41.50. **Do you want to perform this test?**
 - YES, please perform this test
 - NO, do not perform this test
- The cost for taking home pain medication for 3 days is \$21.84. **Do you want at home oral pain relief for cat(s)?**
 - YES
 - NO
- Microchipping is a safe and effective way to identify your pet. It is available at a discounted price with surgical procedures. **Do you want a microchip placed in your pet for an additional fee of \$28.00?**
 - YES
 - NO
- **For cats that are being spayed: I understand that if my cat is pregnant, there will be an additional fee of the following: a.) Early pregnancy BEFORE 40 days: \$36.75 b.) Late pregnancy AFTER 40 days: \$125**
Initial: _____
- All animals anesthetized at Monticello Animal Clinic must be free from any contagious parasites (i.e. fleas, ticks, worms, mites). If these contagious parasites are present, your pet must be treated at your expense to prevent the spread of disease to other pets in the hospital.
I understand that if contagious parasites are present on my pet they will be treated at my expense. _____
 - Revolution Plus \$26.00
 - Bravecto 3 Month \$59.75

I give Monticello Animal Clinic permission to perform the procedures listed above. I realize that, very rarely, anesthetic complications do arise and I will not hold Monticello and Warren Animal Clinic, or its employees responsible for any complication that is beyond our control. If my pet needs any other procedures done at Monticello Animal Clinic, I will be notified by phone prior to the treatment being performed, unless the condition is life threatening.
